# What is a Main Street Program?

---

DC Main Streets promotes the revitalization of business corridors in the District of Columbia. Created in 2002 through the National Trust for Historic Preservation, Main Streets serves as the citywide coordinating program that provides services and funding for the 28 Main Streets found in the District of Columbia. DC Main Streets' mission is to support traditional retail corridors in the District. DC Main Streets is a Main Street America™ Coordinating Program committed to creating high-quality places and building stronger communities through preservation-based economic development. In 2021, The Palisades Main Street program was designated – joining many neighborhood Main Street programs in DC that revitalize communities by retaining and recruiting businesses, improving commercial properties and streetscapes, and attracting consumers. Our core mission is to stimulate the commercial corridor in the Palisades through encouraging cooperation and building leadership in the business community. Through our work, we foster a positive image for the commercial corridor by promoting it as an exciting, visually appealing, walkable place to live, shop, and invest. [Learn more!](#)
